

## Site Engineer

Join our team and work on North London's largest waste to energy scheme. You will enjoy exciting career prospects with one of the leading global companies in renewable energy and sustainable infrastructures. As a London Living Wage Employer, we offer a competitive salary and benefits package and continued learning and development opportunities within a creative and considerate work environment.

ACCIONA is looking to appoint a Site Engineer based in our London region, working on our North London Heat and Power Project in the Edmonton.

We are committed to securing local employment and welcome applications from residents from Enfield, Haringey and Waltham Forest. We welcome Apprenticeship applications from both young people and older people looking to make a change in their career.

<b>Your role</b>	<p>You will have your own technical responsibilities, and work with the Site Engineer to supervise and co-ordinate a workforce involved in the delivery of the project. You will work with third parties such as design teams, the client and statutory authorities. Working alongside our Site Engineer you will:</p> <ul style="list-style-type: none"> <li>• Provide technical surveying on site to check the setting out of subcontractors, craftspeople and operatives</li> <li>• Set out, level and survey the site as required</li> <li>• Check plans, drawings and quantities for accuracy of calculations</li> <li>• Liaise with any consultants, subcontractors, supervisors, planners, quantity surveyors and the general workforce involved in the project</li> <li>• Prepare reports as required</li> <li>• Support the resolution of any unexpected technical difficulties and other problems that may arise</li> <li>• Operate as part of the site team and contribute to a positive and inclusive workplace culture</li> </ul>
<b>Your training</b>	<ul style="list-style-type: none"> <li>• The qualification you'll get at the end of your apprenticeship is HNC in Civil Engineering</li> <li>• You'll learn the skills required to achieve Technician status with the Institution of Civil Engineers (EngTech MICE)</li> <li>• You'll do your training at London South Bank University (LSBU), Southwalk Campus</li> <li>• The course will explore the fundamentals of civil engineering, leaving you well prepared for entry on to the full degree programme</li> <li>• It will cover mathematics, engineering mechanics, construction technology, and practice skills</li> <li>• You'll study part time for 2 years</li> <li>• You'll develop a wide range of employability skills through LSBU's vocational approach to teaching and a focus on a range of technical knowledge and skills</li> </ul>
<b>Who we are looking for</b>	<p>The entry requirements for the role are:</p> <ul style="list-style-type: none"> <li>• A Level EEE or;</li> <li>• BTEC National Diploma MPP or;</li> <li>• Access to HE qualifications with 45 Passes or;</li> <li>• Equivalent level 3 qualifications worth 48 UCAS points</li> <li>• Level 3 qualifications must include Maths and Physical Science</li> </ul>

	<ul style="list-style-type: none"> <li>• Applicants must hold 5 GCSEs A-C including Maths and English or equivalent (reformed GCSEs grade 4 or above)</li> <li>• You will have an interest in sustainability and/or construction and be able to prioritise their workload</li> <li>• You will have good time management and able to work outdoors</li> <li>• You will be a team player, flexible and able to work with others</li> </ul>
<p><b>What's in it for you</b></p>	<ul style="list-style-type: none"> <li>• In addition to a competitive salary and benefits package, we provide continued learning and development opportunities within a creative and considerate work environment</li> <li>• The NLHPP ERF Project is a significant investment for North London and an exciting project to launch your career within construction.</li> <li>• ACCIONA is an international company with a significant global presence and a growing profile within the UK. Employees have the opportunity to work across the globe on our projects</li> <li>• People are at the heart of what we do at ACCIONA. We recognise that creating a diverse and inclusive environment that nurtures our employees and encourages them to reach their potential is critical to our success. We want the very best talent to join us regardless of race, colour, religion, national or ethnic origin, sexual orientation, gender identity or expression, age, disability or other characteristics</li> </ul>
<p><b>How to apply</b></p>	<ul style="list-style-type: none"> <li>• Please email your CV to <a href="mailto:ukjobs@acciona.com">ukjobs@acciona.com</a></li> <li>• Application deadline 5<sup>th</sup> August</li> </ul>
