

## Construction Site Supervisor

Join our team and work on North London's largest waste to energy scheme. You will enjoy exciting career prospects with one of the leading global companies in renewable energy and sustainable infrastructures. As a London Living Wage Employer, we offer a competitive salary and benefits package and continued learning and development opportunities within a creative and considerate work environment.

ACCIONA is looking to appoint a Construction Site Supervisor based in our London region, working on our North London Heat and Power Project in the Edmonton.

We are committed to securing local employment and welcome applications from residents from Enfield, Haringey and Waltham Forest. We welcome Apprenticeship applications from both young people and older people looking to make a change in their career.

<b>Your role</b>	<p>Working alongside our Site Supervisor you will</p> <ul style="list-style-type: none"> <li>• Manage and assist a small team (2 to 3 people) of site support staff</li> <li>• Assist with the day to day running of the site</li> <li>• Assist trades persons with the movement of materials within the site</li> <li>• General labouring and ensuring general tidiness is maintained</li> <li>• Management of pedestrian access ways throughout the construction and welfare areas</li> <li>• Management and coordination of waste skips</li> <li>• Keep the site free of windblown debris</li> <li>• Assist the management of traffic.</li> <li>• Operate as part of the site team and contribute to a positive and inclusive workplace culture</li> </ul>
<b>Your training</b>	<ul style="list-style-type: none"> <li>• You will receive a HNC Construction (Construction Site Supervisor Apprenticeship) Level 4 at the end of your training (2 years + EPA)</li> <li>• You will do your training at London South Bank University Southwalk Campus</li> <li>• You will study part time and take six modules in total and three modules of study per year</li> <li>• Most modules are taught across two semesters allowing development to be taken at a progressive pace. All modules are at Level 4 and carry a 20-credit weighting</li> <li>• The course will be a mixture of lecture, tutorials and practical based exercises and will be assessed by a wide variety of methods including, written coursework, presentations, projects and multiple-choice examinations.</li> <li>• All students are allocated a personal tutor who they will normally meet with once per semester. As an apprentice they will also be allocated a Skills Assessor who will be ensuring that regular progress reviews take place and that they are on track for completion of the apprenticeship</li> <li>• The course is designed to enable those employed in relevant areas of the construction industry to gain a formal academic qualification (HNC Construction) and develop the knowledge, skills and behaviours associated with the Construction Site Supervisor Apprenticeship Standard</li> </ul>
<b>Who we are looking for</b>	<p>The entry requirements for the role are:</p> <ul style="list-style-type: none"> <li>• A Level DD or;</li> </ul>

	<ul style="list-style-type: none"> <li>• BTEC National Diploma PPP or;</li> <li>• Access to HE Diploma with 21 Merits or;</li> <li>• Level 3 Apprenticeship in related subject or;</li> <li>• Equivalent level 3 qualifications worth 64 UCAS points</li> <li>• 5 GCSE's including Maths and English (C or above) or equivalent (reformed GCSEs grade 4 or above)</li> <li>• You will have an interest in sustainability and/or construction and be able to prioritise their workload</li> <li>• You will have good time management and able to work outdoors</li> <li>• You will be a team player, flexible and able to work with others</li> </ul>
<p><b>What's in it for you</b></p>	<ul style="list-style-type: none"> <li>• In addition to a competitive salary and benefits package, we provide continued learning and development opportunities within a creative and considerate work environment</li> <li>• The NLHPP ERF Project is a significant investment for North London and an exciting project to launch your career within construction.</li> <li>• ACCIONA is an international company with a significant global presence and a growing profile within the UK. Employees have the opportunity to work across the globe on our projects</li> <li>• People are at the heart of what we do at ACCIONA. We recognise that creating a diverse and inclusive environment that nurtures our employees and encourages them to reach their potential is critical to our success. We want the very best talent to join us regardless of race, colour, religion, national or ethnic origin, sexual orientation, gender identity or expression, age, disability or other characteristics</li> </ul>
<p><b>How to apply</b></p>	<ul style="list-style-type: none"> <li>• Please email your CV to <a href="mailto:ukjobs@acciona.com">ukjobs@acciona.com</a></li> <li>• Application deadline 5<sup>th</sup> August</li> </ul>
