

BIM Co-ordinator

Join ACCIONA, a global leader in the development of regenerative infrastructure aimed at creating a positive impact on society. If you are driven by a passion to make a difference, advocate for sustainable development, then we invite you to be part of our team to work on North London’s largest waste-to-energy scheme. You will enjoy exciting career prospects in renewable energy and sustainable infrastructures.

ACCIONA is looking to appoint an **BIM Co-ordinator** based in **Edmonton, E4 8JG**

We prioritize fair compensation and offer a competitive salary and benefits package. Additionally, we are dedicated to fostering continuous learning and development opportunities within a dynamic and supportive work environment.

We are committed to securing local employment and welcome applications from residents from **North London**. We welcome applications from both young people and older people looking to make a change in their careers.

ACCIONA is committed to diversity and inclusion, proudly serving as a Disability Confident Employer. We value the unique perspectives and talents that individuals with disabilities bring to our team. As an equal opportunity employer, we welcome applications from candidates of all abilities and backgrounds.

Your role

Mission: To support the Project Information Manager and BIM Manager in the establishment and compliance with a robust digital framework and a high-performance CDE. The mission is to ensure technical consistency across all models, implementing rigorous quality assurance procedures and advanced coordination workflows to guarantee data integrity throughout the project lifecycle.

Main Responsibilities:

- Assist in the application of the BIM Execution Plan and the Information Management Plan.
- Assist in review and help implement proper element and parameter naming on the models.
- Assist in prepare asset data procedures.
- Help to prepare and apply model quality assurance template reports and IDS.
- Help to prepare and apply clash report templates.
- Help to implement model quality assurance.

Role Requirements:

- Technical Proficiency:

1. Advanced BIM Modeling: Expert-level command of Autodesk Revit and IFC for architectural/structural/MEP coordination and parameter management.
2. Clash Management & Coordination: High proficiency in Navisworks
3. Manage for federated model reviews and BIMcollab for issue tracking.
4. Advanced Geometry & Visualization: Experience using Blender (or Blender BIM) for advanced geometry handling, data visualization, or model optimization.

	<p>- Experience & Standards:</p> <ol style="list-style-type: none"> 1. Information Standards: Solid understanding of naming conventions, COBie data requirements, and IFC schema. 2. Process Documentation: Proven ability to help develop BIM Execution Plans (BEP) and standard operating procedures (SOPs). 3. Quality Assurance: Experience in performing model audits and generating automated quality reports. <p>- Key Competencies:</p> <ol style="list-style-type: none"> 1. Interoperability Skills: Strong grasp of OpenBIM workflows and moving data between different software environments (Revit ↔ Blender ↔ Navisworks). 2. Analytical Mindset: Exceptional attention to detail when reviewing element parameters and naming consistency. 3. Proactive Communication: Ability to translate complex BIM procedures into clear instructions for the design teams. <p>CDE Management: Practical knowledge of managing information within a Common Data Environment (ISO 19650 workflows).</p>
<p>What's in it for you</p>	<ul style="list-style-type: none"> • In addition to a competitive salary and benefits package, we provide continued learning and development opportunities within a creative and considerate work environment.. • ACCIONA is an international company with a significant global presence and a growing profile within the UK. Employees have the opportunity to work across the globe on our projects. • People are at the heart of what we do at ACCIONA. We recognise that creating a diverse and inclusive environment that nurtures our employees and encourages them to reach their potential is critical to our success. We want the very best talent to join us regardless of race, colour, religion, national or ethnic origin, sexual orientation, gender identity or expression, age, disability, or other characteristics.
<p>Acciona's Core Behaviours / Values</p>	<p>We have Core Behaviours and expectations of all our People and these sit at the very centre of Who we are, what we stand for, how we work as a great team, and how we deliver excellent results. Our Core Behaviours are Openness, Self-Awareness and Awareness of Others, Inclusion, Forward Looking, Constructive Conflict.</p> <p>Openness: Parties must be honest in their dealings with each other, open to feedback, and must commit to creating a culture of openness that encourages everyone to proactively share information and to raise and discuss issues directly as opposed to ignoring or denying them.</p> <p>Self-Awareness and Awareness of Others:</p>

	<p>Achieve Results - The ability to focus the activity towards the achievement that brings value to ACCIONA.</p> <p>Organization and Planning - The ability to identify, evaluate and program what actions must be completed to reach a certain goal, how to carry out those actions, and what are necessary resources to achieve the final objective.</p> <p>Constructive Conflict: Partners use problem-solving methods that promote a collaborative atmosphere and avoid fostering covert, overt, conscious, or unconscious animosity, conflict, or competitiveness. All partners raise and discuss issues directly as opposed to ignoring or denying them; and respond to differences in perspective positively. Leaders actively harness the opportunities that differences present, for the improvement of the project and strengthening of long-term relationships.</p> <p>Forward-Looking: Partners behave plan-fully, taking the schedules and priorities of one another into consideration. Partners take a forward-looking approach that does not dwell on past issues or conflicts, other than to ensure that past lessons are learnt to maximise the effective delivery of services across the NLHPP. Leaders undertake both tactical management and long-term strategic planning, to drive the programme forwards collectively.</p>
<p>How to apply</p>	<p>If you are interested, or you know someone that might be interested, please email your Curriculum Vitae (CV) to: ukjobs@acciona.com</p> <p>Due to the high volumes of CVs we receive, we may on some occasions close the application process early. Therefore, we recommend that you apply as soon as possible.</p> <p>Should you require any adjustments to attend an interview in person or online, please let us know.</p> <p>Thank you for your interest in working with North London Heat and Power Project!</p>
