Acciona's Core Behaviours / Values

We have Core Behaviours and expectations of all our People and these sit at the very centre of Who we are, what we stand for, how we work as a great team, and how we deliver excellent results. Our Core Behaviours are Openness, Self-Awareness and Awareness of Others, Inclusion, Forward Looking, Constructive Conflict.

Openness:

Parties must be honest in their dealings with each other, open to feedback, and must commit to creating a culture of openness that encourages everyone to proactively share information and to raise and discuss issues directly as opposed to ignoring or denying them.

Self-Awareness and Awareness of Others:

Achieve Results - The ability to focus the activity towards the achievement that brings value to ACCIONA.

Organization and Planning - The ability to identify, evaluate and program what actions must be completed to reach a certain goal, how to carry out those actions, and what are necessary resources to achieve the final objective.

Constructive Conflict:

Partners use problem-solving methods that promote a collaborative atmosphere and avoid fostering covert, overt, conscious, or unconscious animosity, conflict, or competitiveness.

All partners raise and discuss issues directly as opposed to ignoring or denying them; and respond to differences in perspective positively. Leaders actively harness the opportunities that differences present, for the improvement of the project and strengthening of long-term relationships.

Forward-Looking:

Partners behave plan-fully, taking the schedules and priorities of one another into consideration.

Partners take a forward-looking approach that does not dwell on past issues or conflicts, other than to ensure that past lessons are learnt to maximise the effective delivery of services across the NLHPP. Leaders undertake both tactical management and long-term strategic planning, to drive the programme forwards collectively.
