**Your role**

As a Drafts Person for our Energy Recovery Facility (ERF) plant project, you will play a crucial role in the design and construction phase of this innovative and sustainable energy facility. Your primary responsibility will be to create detailed technical drawings and schematics that guide the design and construction of the ERF plant. You will work closely with engineers and architects to ensure the accuracy and precision of all drawings.

**This position entails working part-time hours, with no guaranteed fixed hours per week.**

**Main responsibilities:**

**1. Drafting and Design:** Create detailed 2D and 3D drawings, plans, and blueprints using Computer-Aided Design (CAD) software, ensuring they adhere to industry standards and project requirements.

**2. Collaboration:** Collaborate with engineers, architects, and project managers to understand project specifications and incorporate necessary changes into drawings.

	<p><b>3. Technical Documentation:</b> Maintain an organised library of technical drawings, ensuring they are up to date and easily accessible for project stakeholders.</p> <p><b>4. Quality Control:</b> Review and verify the accuracy and completeness of drawings to minimize errors during construction.</p> <p><b>5. Communication:</b> Communicate effectively with cross-functional teams, providing technical support and assisting in problem-solving related to design and construction challenges.</p>
<p><b>What we are looking</b></p>	<ul style="list-style-type: none"> <li>• Proficiency in CAD software (AutoCAD, SolidWorks, or similar) and experience in 3D modelling.</li> <li>• Previous experience in draughting for energy facilities, waste management, or industrial projects is a plus.</li> <li>• Strong attention to detail and excellent communication skills.</li> <li>• Knowledge of construction and engineering principles.</li> <li>• Familiarity with environmental and safety regulations related to EfW plants.</li> <li>• <b>Fluent in English and Spanish</b></li> </ul>
<p><b>What's in it for you</b></p>	<ul style="list-style-type: none"> <li>• In addition to a competitive salary and benefits package, we provide continued learning and development opportunities within a creative and considerate work environment.</li> <li>• The NLHPP ERF Project is a significant investment for North London and an exciting project to launch your career.</li> <li>• ACCIONA is an international company with a significant global presence and a growing profile within the UK. <p><b>Acciona's Core Behaviours / Values</b></p>	<p>We have Core Behaviours and expectations of all our People and these sit at the very centre of Who we are, what we stand for, how we work as a great team, and how we deliver excellent results. Our Core Behaviours are Openness, Self-Awareness and Awareness of Others, Inclusion, Forward Looking, Constructive Conflict.</p> <p><b>Openness:</b> Parties must be honest in their dealings with each other, open to feedback, and must commit to creating a culture of openness that encourages everyone to proactively share information and to raise and discuss issues directly as opposed to ignoring or denying them.</p>

	<p><b>Self-Awareness and Awareness of Others:</b>          Achieve Results - The ability to focus the activity towards the achievement that brings value to ACCIONA.          Organization and Planning - The ability to identify, evaluate and program what actions must be completed to reach a certain goal, how to carry out those actions, and what are necessary resources to achieve the final objective.</p> <p><b>Constructive Conflict:</b>          Partners use problem-solving methods that promote a collaborative atmosphere and avoid fostering covert, overt, conscious, or unconscious animosity, conflict, or competitiveness.          All partners raise and discuss issues directly as opposed to ignoring or denying them; and respond to differences in perspective positively. Leaders actively harness the opportunities that differences present, for the improvement of the project and strengthening of long-term relationships.</p> <p><b>Forward-Looking:</b>          Partners behave plan-fully, taking the schedules and priorities of one another into consideration.          Partners take a forward-looking approach that does not dwell on past issues or conflicts, other than to ensure that past lessons are learnt to maximise the effective delivery of services across the NLHPP. Leaders undertake both tactical management and long-term strategic planning, to drive the programme forwards collectively.</p>
